

IMC ITES-3S QUICK FACTS

Innovative Management Concepts (IMC) is pleased to be an Army Information Technology Enterprise Solutions - 3 Services (ITES-3S) contract holder. ITES-3S is an Indefinite Delivery, Indefinite Quantity (IDIQ) contract vehicle structured to provide the full range of IT services and solutions to the federal government. ITES-3S is managed by the Computer Hardware, Enterprise Software and Solutions (CHES) program at Ft. Belvoir, VA.

The overall objective of ITES-3S is to provide industry best practice, best value, non-personal services to enable a broad range of enterprise-level support services for IT integration and service management activities to the Army, other DoD agencies, and all other Federal agencies including, but not limited to, locations CONUS, OCONUS, and warzone areas. The types of services and solutions provided under ITES-3S include:

- Cybersecurity services,
- IT services,
- Enterprise design, integration, and consolidation
- Network/systems operation and maintenance,
- Telecommunications/systems operation and maintenance,
- Business process reengineering,
- IT supply chain management, and
- IT education and training.

Customers for the ITES-3S contract include all DoD and Federal agencies. The vehicle has a \$12B ceiling with no size limit on task orders. All contract types are allowed, including FFP, CR T&M, and Hybrids). There are 131 labor categories.

IMC DIFFERENTIATORS IN ITES-3S

IMC is a verified Service-Disabled Veteran-Owned Small Business (SDVOSB) with nearly three decades of successful performance on Federal contracts. IMC provides IT services and solutions to the Departments of Veterans Affairs, Energy, Defense, Homeland Security, State, Transportation, Treasury, and the General Services Administration. Our breadth and depth of experience in our core service areas makes IMC a low-risk, high-reward choice for ITES-3S task orders.

- IMC's commitment to quality is evidenced in our International Standards Organization (ISO) certifications: *ISO 9001:2015 Quality Management, 20000:2011 IT Service Management, and 27001:2013 Information Security Management.*
- IMC understands IT best practices and we have a large group of Project Management Institute-certified Project Management Professionals and experienced ITIL practitioners.
