## IMC Awarded NIH CIO-SP3 Small Business GWAC Contract

Dulles, VA – [Innovative Management Concepts, Inc. \(IMC\)](#), an information technology services and solutions provider, has been awarded a National Institutes of Health (NIH) Chief Information Officer – Solutions and partners 3 (CIO-SP3) Small Business Governmentwide Acquisition Contract (GWAC) in the Service-Disabled, Veteran-Owned Small Business Group, for providing Federal agencies with emerging technology, solutions, and services.

The CIO-SP3 Small Business GWAC is administered by NITAAC, the designated federal Executive Agent authorized by the Office of Management and Budget (OMB). With a contract ceiling of \$20 billion, the CIO-SP3 Small Business GWAC is a primary resource for any Federal agency, civilian or defense, looking to procure IT products, services and solutions and reach small business goals. CIO-SP3 Small Business has 137 labor categories for task orders in support of everything IT, covering a wide range of IT services spanning across ten task areas.

IMC’s period of performance for the CIO-SP3 Small Business GWAC began on 2 April 2018 and will run through 29 April 2022. To find out more about IMC’s CIO-SP3 Small Business GWAC, please visit <http://imcva.com/ciosp3sb.html>.

###
