IMC Receives Follow-on GSA IT Schedule 70 Contract

Dulles, VA – [Innovative Management Concepts, Inc. \(IMC\)](#), an information technology services and solutions provider, has received a follow-on contract for Government Services Administration (GSA) IT Schedule 70, a Multiple Award Schedule (MAS) contract for commercial IT products/services that is available to Federal agencies worldwide. IMC received its original IT Schedule 70 contract on August 26, 1998. The new IT Schedule 70 contract runs from July 24, 2017, to July 23, 2022, with three five-year option periods, which can extend the contract to 2037.

IT Schedule 70 is one of the largest contracts in government used by agencies to purchase technology products and services. IT Schedule 70 delivers federal, state, and local customer agencies the tools and expertise needed to shorten procurement cycles, ensure compliance, and obtain the best value for innovative technology products, services, and solutions.

IMC has provided information technology solutions through its prior IT Schedule 70 contract to a number of Federal customers including the Department of Transportation, the Office of the Under Secretary of Defense (Intelligence), the United States Air Force, and the Department of Veterans Affairs.
