IMC Awarded GSA VETS 2 GWAC Contract

Dulles, VA – [Innovative Management Concepts, Inc. \(IMC\)](#), an information technology services and solutions provider, has been awarded a General Services Administration (GSA) VETS 2 Governmentwide Acquisition Contract (GWAC) contract for information technology services and solutions that is available to Federal agencies worldwide.

The VETS 2 GWAC offers a unique contribution to the federal acquisition community as it's the only GWAC set-aside exclusively for Service-Disabled, Veteran-Owned Small Businesses (SDVOSB). VETS 2 is designed to meet a variety of diverse agency IT requirements, including new and emerging technologies. VETS 2 will have a five-year base period and one five-year option period. The VETS 2 GWAC vehicle enables GSA to continue its support of the SDVOSB Procurement Program, while helping federal agencies achieve their socioeconomic goals and objectives.

IMC was awarded the original VETS GWAC in early 2007 and successfully performed on 33 task orders since award with a potential total value of more than \$100M by 2020.

To find out more about IMC's VETS 2 GWAC, please visit <http://imcva.com/gwac.html>.
